Hanukkah: 18th-26th  
Christmas Day :-25th  
Back to school : 16th

**January 2023**

Happy December! The season for giving, sharing, family and lots of love is finally here. We

had an exciting and productive term with each and every member of our class. We look forward to building new friendships and expanding our knowledge in the new term. The toddler team would like to wish all our families a lovely, safe holiday and a prosperous 2023.

Over the past few weeks we covered the water cycle, exploring evaporation, cloud formation, rain and water collection. During the last few days of the term we will be looking at the different holidays celebrated during the month of December, what happens and how do families share their holiday time together.

A glimpse at the fun we had this term.

New skills acquired

Lots of laughter and fun

friendships created

creativity and Imagination explored
