

FEBRUARY

We are like snowflake, all different in our own beautiful way.

BIRTHDAYS

1st - Zola

THE WORLD AROUND US

As part of our science unit this month, we will learn all about soil, deforestation and water conservation.

There will be some practical activities to enhance our understanding of the above mentioned topics.

LEARNING FOCUS

In the book club, we are reading Stanley & the magic lamp by Jeff Brown. Please ask your child about the characters in the book & how he/she relates to them.

In math, we will be learning about 'Time'. Please turn the learning of this topic into a fun activity at home.

EVENTS

7th Feb - 100th day of school

13th - 17th Feb - Kindness week: Let's fill our kindness jar through our random acts.
