CLASSROOM NEWS

The Preschoolers have kicked off the term with the theme "All about me and my body". They have learnt all about their body parts, systems and organs.

They especially enjoyed a visit from Dr Jyoti Lahkwani, a Paediatrician from UTH.

Our themes for the next few weeks will include learning about our 5 senses, as well as where we fit into our families, communities and the world.

Thank you to everyone who participated in our family project. The children enjoyed sharing their "All about me Hoodie projects" with their friends and teachers and we have loved learning more about their likes and interests.
