ALL ABOUT LOVE

Whats happening this month

Hello February and this month we aim to spread a lot of love, cheer and kindness around both the school and our classroom. Our main theme this month is All about love . Our sub themes will be I love my body where we will cover our different body parts and their uses and how we take care of our bodies. Love for others helps our toddlers understand how we can show we care for each other. I love my environment, we will help the children understand the importance of taking care of our environment . We look forward to spreading all the love this month !

Please remember

*Please clearly label all your child's belongings.
