Ramadan begins

March is here ! We welcome this month with many more exciting themes, and fun filled days .

This month we will cover three themes Dr Seuss week , during which we will explore a book a day (books pictured below.) by conducting science experiments, learning new math vocabulary, counting, different emotions and rhyming.

St Patrick's day and all about me, two themes which will explore all the different and wonderful cultures we have in our toddler family as well as celebrate each child's individuality . Please be on the look out for more details about our all about me theme and how you can participate. Have a wonderful month ahead !

WHAT WE GOT UP TO THIS FEBRUARY

Dress up days

Working on our concentration skills

We celebrated birthdays , explored the playground , made new friends and worked on strengthening our gross motor skills .

CAT IN THE HAT , SOME STRIPES AND SKEWERS!

We took advantage of the first day of Dr Seuss week to dress up in something stripy , make and taste our cat in the had inspired skewers and work on our fine motor skills by cutting up fruit and serving it on skewers as well as read the cat in the hat comes back .

Thank you for all your support during our special days.
