

TODDLER NEWS

June 2023

GOOD BYE TO THE PAST, HELLO TO THE FUTURE

As we come to the end of the school year, we take the time to reflect on what an amazing year we had. Looking back at how far each of the toddler class members have grown, developed as individuals building not only academic skills needed for the future but social, emotional and life skills too.

Not only are we beginning to pave a way for their future but doing it in a way they guide us as educators to using what they are interested in at a particular time. This way paving new steps into the future of learning.

As we look forward to a new school year we would like to thank all our families for all your support this school year.

As the year comes to an end it's time to say goodbye to a few of our friends who have sadly outgrown our class, we will miss them!

Quote of the month

"Shoot for the moon. Even if you miss you'll land among the stars." Les Brown.

Where we started

Where we ended. So much laughter cuddles and FUN! We will miss you all!

First day smiles and first activity trial.

"The needs of mankind are universal. Our means of meeting them create the richness and diversity of the plane. The Montessori child should come to relish the texture of that diversity."
Maria Montessori.

This past month we had the pleasure to explore each of our different and unique cultures, tasted some delicious food and listened to music from around the world on our international diversity day.

Taking care of Harry and Sally.

Transferring our chinese cabbage and spinach from our pots to the green house

Creating master pieces in art class

Exploring how we can use different ways to move around
