14/8 - School Starts

19/08 - World Honey Bee Day

21/8 - Afternoon activities resume

## BIRTHDAYS

24/8 - Miss Mulenga

## MEET THE TEACHER - MISS NIKI

Whilst most of you already know me I wanted to take the time to share some of my history :) I am Zambian and grew up on a farm called Fringilla, which is in Chisamba. I studied in South Africa and the UK but I moved back to Zambia in 2011. I have a Bachelors of Education: Foundation Phase and a Masters of Arts: Inclusive Education (Special Educational Needs). I am currently studying a second Masters in Speech, Language and Communication. I have been working in early learning centers since 2012.

I got married in 2018 to Damien and we welcomed our son Jack in 2020 - He is in preschool. Last year brought us our daughter Mila who starts in Toddler class in October.

I look forward to the next two years getting to know you and your children and being part of their journey. Please don't hesitate to contact me with any questions, concerns or comments throughout the school year.

## MEET THE TEACHER - MISS MULENGA

Miss Mulenga is Zambian and grew up in Cooperbelt and Lusaka. She has been working at Casa for 3 years. previously she was a one on one teacher and then moved to the First Grade Assistant in 2021/2022.

She has a daughter named Natasha who is 10 years old. She loves children and spends her weekend with all her nieces and nephews. She has a passion for helping learners succeed and has the patience of a saint.
