We know the first day of school can be very emotional for both parents and the children, here are a few tips to help with the settling in process.

*Let your child choose and bring something familiar to class. Lovies or a toy are always we welcome. This will give your child something familiar to have with them in class.

*Create a consistent goodbye routine. This can be a high five, a hug or a kiss whichever suits your family best. Let your child know you will be back to pick them up at the end of the day. 'Talk it through, let your child know how the day will go, this will give your child the sense of predictability and that everything is going to be ok.

Have a gradual start. Our settling in period is the best way for you and your little one to pecome both confident and comfortable with your new school routine.

Checking in. My self or ms Melanie will always give you updates on how your little one is doing throughout the day.
