EVENTS

Food drive

This month, please donate non-perishable food items generously to help our underprivileged children in our community.

Items can be dropped off at the reception.

Giving tree

We will be installing a Giving tree this year with the names and ages of children from the Leopards Hill Community School.

Parents are welcome to choose a name (s) and bring a wrapped present to place under it. We will then hand them over to the community school.

Please donate generously for our community activities. Your help will go a long way in bringing smiles on the faces of other children.
