

'Tis the Season to be Jolly

Preschool Newsletter
December 2023

A little about last month...

The past month has been nothing short of exciting as the children learnt so much about community helpers. They learnt about who they are and how they help our communities. We were given first hand information about community helpers like farmers, pilots, paramedics, radiologists and an artist all from our very own parents at our school.

In addition, we also enjoyed learning lots about healthy eating, dental hygiene and Sports and exercise. The children learnt why it is important for us to make good choices for our body. We were fortunate to have a parent speak to us about healthy eating and our PE teacher Ms Lauren came to share with us the importance of being active in our daily lives.

What's happening this month...

This month we will embrace the festive season and look at two themes, holidays around the world and Christmas. We will look at how different people around the world celebrate different holidays and then we will look at how people near and far celebrate Christmas.
